UNIT 3: CIVIL WAR REVIEW SHEET

The structure of the test will be as follows:

Section A: Knowledge

- Multiple choice, matching, order of events, term identification and mapping.

Section B: Application

- Short answer questions and persuasive paragraphs.

Section A: Knowledge

The multiple choice and matching section will be based upon the following ppt lectures and Activities Packages:

- The American Civil War
- The Emancipation Proclamation
- The Assassination of Lincoln

There will be a mapping section on the test. Please review the following:

- Activities Package: The American Civil War-Activity 4

An order of events question will also be asked. Review only major events:

- Eg. Emancipation Proclamation, Gettysburg etc.

There will also be a section where you need to identify various individuals/terms and explain their significance. They will be chosen from the following list:

Emancipation Proclamation	Radical Republicans	Segregation	Abraham Lincoln	13th Amendment
Dred Scott	Sharecropping	Gettysburg	Lincon's 10% Plan	Fredrick Douglas

Section B: Application

Review the following standard answer questions:

- What were the deeper issues that led to the start of the Civil War? Support with pre-war examples.
- Describe the differences, as well as, the strengths and weaknesses of the North and South.
- How did the early phase of the war (1861 to 1863) differ from the end phase (1863 to 1865)?
- How did the lives of former slaves change or remain the same after the war?
- What sort of challenges arose during the reconstruction phase? How did Lincoln and his successor respond?

To prepare for the persuasive paragraph section review the following:

- Were the efforts of the government during reconstruction charitable or malicious towards the South?
- Was the Civil War a fight to reaffirm the ideals of the American Dream or simply an effort to preserve the Union?
- What does the Civil War ultimately reveal about humans?
